

ATTENTION AFMAN 23-110 USERS
PLEASE READ!!!!

For the last two CD releases of AFMAN 23-110, we have asked our users that receive the manual on CD to validate their requirement by sending updated information. Of the 647 registered users, only 220 users have sent their validation to us. A none reply suggests to us the user's address maybe wrong, the users aren't reading this notice or the user no longer requires this manual. Whichever is true, the users will have until **15 July 2002** to validate their requirement or the requirement will be deleted.

If you have not already done so, provide organizational mailing address (APO/AFO state the base name), POC, phone number (DSN and Comm) and number of copies required. Send this information to: HQ SSG/ILSPD, 200 East Moore Drive, Bldg 888 Rm 2012, Maxwell AFB-Gunter Annex, AL 36114-3004, or (334) 416-5186 DSN 596-5186, or ssg.ilspd@gunter.af.mil.

This is the first page of the table of contents for the 1 July 2002 CD only. To get to the next page, click the next page button in the toolbar or click on the first line in the bookmark section.
