This pamphlet provides AMC space available travel information. It applies to uniformed service members (active and retired), family members, and Department of Defense (DoD) employees authorized space available travel (IAW DoD 4515.13-R, *Air Transportation Eligibility*). It implements AMCPD 24-2, *Policy for Passenger Travel Aboard AMC Missions*.

**1. Background:** Welcome to Air Mobility Command (AMC) and space available travel. We, in AMC, are dedicated to helping you, our customer, make the most of your space available travel privilege.

While we cannot guarantee movement in the time frame you may wish, we will do our best to make available every seat we can. In case you must get to a final destination before we can get you there, you will

need sufficient funds to complete your journey or return home. Remember, space available passengers travel only after all duty cargo and passengers have been accommodated.

If at any time during your travel with AMC we do not meet your expectations or if you have a question or suggestion, please contact an AMC supervisor or use AMC Form 253, *Air Passenger Comment*, available in every major AMC operating location to pass the word to us at the AMC staff.

We wish you the best in your travels!

**2. Registration.** Passengers may register for travel at the Passenger Service Center in the passenger terminal in person by telefax, mail, or E-mail. Sponsors who register in person for family members traveling with them should present all required documents: Identification cards (DD Form 2, *Armed Forces Identification Card*), passports, immunization records, and visas when required by the DoD Foreign Clearance Guide. Travel documents must be presented when selected for travel. Travelers may select up to five countries. We recommend the "all" choice for the 5th destination so that the traveler may take advantage of unscheduled unique travel opportunities.

2.1. The following summarizes documentation requirements. Please have them ready for review when selected for travel:

2.1.1. Active Duty Uniformed Services Member (includes National Guard and Reserve members on active duty in excess of 30 days and Cadets and Midshipmen of the U.S. Service Academies): DD Form 2 (Green), US Armed Forces ID Card (Active), Form 2 NOAA (Green), Uniformed Services ID and Privilege Card (Active), or PHS Form 1866-3 (Green), US Public Health Service ID Card (Active), and a valid leave authorization or evidence of pass status.

2.1.2. Retired Uniformed Service Members: DD Form 2 (Blue), US Armed Forces ID Card (Retired), DD Form 2 NOAA (Blue), Uniformed Services ID Card (Retired), or PHS Form 1866-3 (Blue), US Public Health Service ID Card (Retired).

2.1.3. National Guard and Reserve Members: Authorized Reserve Component Members (National Guard and Reserve) of the Ready Reserve and members of the Standby Reserve who are on the Active Status List: DD Form 2 (Red), Armed Forces of the United States ID Card (Reserve), and DD Form 1853, *Authentication of Reserve Status for Travel Eligibility*.

2.1.4. Retired Reservists Entitled to Retired Pay at Age 60: DD Form 2 (Red) and a notice of retirement eligibility as described in DoD Directive 1200.15. If the automated DD Form 2 (Red) has been issued, the member is registered in his or her service personnel system as a Reserve retiree entitled pay at age 60, and a notice of retirement is not required.

2.1.5. Retired Reservists Qualified for Retired Pay: DD Form 2 (Blue), US Armed Forces ID Card (Retired), DD Form 2 NOAA (Blue), Uniformed Services ID Card (Retired), or PHS Form 1866-3 (Blue), US Public Health Service ID Card (Retired).

2.1.6. On Active Duty for 30 Days or Less: DD Form 2 (Red) and orders placing the Reservist on active duty and a valid leave authorization or evidence of pass status.

2.1.7. ROTC, Nuclear Power Officer Candidate (NUPOC), and Civil Engineer Corps (CEC) Members: When enrolled in an advanced ROTC, NUPOC, or CEC course or enrolled under the financial assistance program: DD Form 2 (Red) and DD Form 1853.

2.1.8. Family Members of Uniformed Services Members: DD Form 1173, *United States Uniformed Services Identification and Privilege Card*.

2.1.9. EML Travelers: Travel orders issued by the Unified Command. Participants of the EML program may take no more than two trips per year and may not be taken within 6 months of the beginning or end of the service.

**3. Travel Categories/Selection Priorities.** A complete listing of eligible passengers by category is contained in DoD 4515.13-R. The following is a partial listing of eligible individuals:

**3.1. Category I.** Emergency travel on a round-trip basis in connection with serious illness, death, or impending death of a member of the immediate family of the following:

3.1.1. United States citizen civilian employees of the DoD stationed overseas.

3.1.2. Full-time, paid personnel of the American Red Cross serving with United States military Services overseas.

3.1.3. Uniformed Service family members whose sponsors are stationed within the continental United States (CONUS) and the emergency exists overseas.

3.1.4. Family members of United States citizen civilian employees of the DoD when both sponsor and dependents are stationed overseas at the same location.

3.1.5. Uniformed Service family members when accompanied by their sponsor may travel within the continental United States (CONUS) if the emergency exists in the CONUS.

**3.2. Category II:**

3.2.1. Sponsors on environmental and morale leave (EML) and accompanied family members. Military personnel must also be on ordinary leave. Any other type leave such as convalescent or overseas tour extension incentive program (OTEIP) with EML is not authorized.

3.2.2. DoD Dependent School (DoDDS) teachers and their accompanied family members in EML status during school year holiday, vacation periods or employer-approved training during recess periods.

**3.3. Category III:**

3.3.1. Members of the uniformed services in an ordinary or reenlistment leave status and uniformed Services patients on convalescent leave. Members on convalescent leave may not travel overseas unless their leave form is so annotated.

3.3.2. Military personnel traveling on permissive temporary duty (TDY) orders for house hunting.

3.3.2.1. If the permissive TDY is for the purpose of permanent change of station house hunting, the member travels in Category III, may travel within the continental United States (CONUS) as well as international travel, and may be accompanied by one family member.

3.3.2.2. *Bona fide* family members (with a valid identification card) of a Service member of the uniformed Services when accompanied by their sponsor who is in an ordinary leave status within overseas areas between overseas stations and air terminals in the CONUS.

3.3.3. This privilege does not apply to travel of dependents to or from a sponsor's restricted or unaccompanied tour location or to travel in a leave status to or from TDY locations. It applies only to round-trip travel to an overseas area or the CONUS with the sponsor. DoD 4515.13-R restricts use of these privileges to establish a home for family members in an overseas area or the CONUS.

3.3.4. Foreign exchange service members on permanent duty with the DoD, when in a leave status.

#### **3.4. Category IV:**

3.4.1. Unaccompanied family members (18 years or older) traveling on EML orders. Family members under 18 must be accompanied by an adult family member who is traveling EML.

3.4.2. DoDDS teachers or family members (accompanied or unaccompanied) in an EML status during summer break.

#### **3.5. Category V:**

3.5.1. Students whose sponsor is stationed in Alaska or Hawaii.

3.5.2. Students enrolled in a trade school in the CONUS when the sponsor is stationed overseas.

3.5.3. Military personnel traveling on permissive TDY orders for other than house hunting.

3.5.4. Command sponsored dependents (18 years of age) of Uniformed Services members who are stationed overseas may travel unaccompanied from the sponsor's PCS duty location to the CONUS and return. Travel is also authorized within the overseas theater. Travel cannot be between two overseas theaters (i.e., from Germany to Panama or from Japan to England). Dependents must have command sponsored documentation signed by the Commander verifying command sponsorship. Documentation is valid for one round trip.

#### **3.6. Category VI:**

3.6.1. National Guard/Reserve components/members of the Ready Reserve and members of the Standby Reserve who are on the Active Status List.

3.6.2. Retired military members who are issued DD Form 2 and eligible to receive retired or retainer pay.

3.6.3. Family members (with a valid identification card) of retired members when accompanied by a sponsor.

#### **NOTES:**

1. Space available (Space A) eligible travelers may not use their privilege for personal gain or in connection with business enterprises or employment. Space A travel may not be used to establish a home or when international or theater restrictions prohibit such travel.
2. Family members may not travel within the CONUS except as follows: Family members of active duty military personnel, when accompanied by their sponsor (must have emergency status indicated in leave orders). Family members may travel on domestic leg segments of international flights during the beginning or end of their international flight. For

example, if a flight originates in Texas, stops in California as part of the mission, and then continues overseas, family members eligible for travel may fly from Texas to the overseas area on the flight. They may not, however, travel just simply Texas to California (unless traveling with their sponsor as previously noted).

3. Remember Space A seats are normally identified as early as 2-3 hours and as late as 30 minutes prior to departure. Recommend you check with the passenger service center for the space available show time for your flight prior to departing the terminal. Be ready for immediate processing and boarding.

**4. Baggage.** Each passenger may check two pieces of checked baggage, 70 pounds each, up to 62 linear inches in size. Family members may pool their baggage allowances. Hand-carried baggage must fit under the seat or in the overhead compartment, if available.

**NOTE:**

Baggage weight may be limited due to type of aircraft or other restrictions.

**5. Selection Process.** Travelers remain on the register for 60 days or the duration of their leave orders or authorization, whichever occurs first.

5.1. When you register, you are assigned a category of travel (see paragraph 3. for eligibility) and compete for seats within categories based on the date and time of registration. This date and time of sign-up is yours through to destination; you will receive a new date and time when you register for your return travel. You have the option to stand by for any flight you believe you may have a reasonable opportunity on which to travel.

5.2. Space required passengers or cargo may require the removal of Space A passengers at any point. If removed en route, you may re-register with your original date and time of registration. AMC passenger agents will assign a new date and time to any country you change or add on your application. Names of all originating space available passengers who depart on a flight will be removed from all destinations. Always be prepared to purchase onward or return commercial transportation, meals, and lodging.

**6. Space A Travel Questions.** People not familiar with the Space A system often do not know the questions to ask to make their travel easier. The following are some of the most common Space A questions and their answers:

Question 1: *Is Space A travel a reasonable substitute for travel on a commercial airline?*

Answer: The answer depends on you! If your travel schedule is flexible and your finances permit for a stay (sometimes in a "high-cost" area), while awaiting movement, space available travel is a good travel choice. While some travelers sign up and travel may be the same day, many factors could come together to make buying a commercial ticket your best or only option. Remember, Space A travel success depends on flexibility and good timing.

Question 2: *Who determines eligibility to fly Space A?*

Answer: The four Services jointly establish Space A eligibility. AMC's first responsibility is airlifting official DoD traffic. Space A passengers are accommodated only after official duty passengers and cargo.

Question 3: *How long does my name stay on the Space A list?*

Answer: All travelers remain on the register 60 days after registration, for the duration of their leave orders authorization, or until they are selected for travel, whichever occurs first. Revalidation has been eliminated.

Question 4: *What is country sign-up, and how does it affect me?*

Answer: Under this program, you may sign up for five different countries rather than five different destinations. You are also eligible for the "ALL" sign-up which makes you eligible for all other destinations served. This gives you a greater selection of destinations from which to choose.

Question 5: *What is remote sign-up?*

Answer: Remote sign-up allows passengers to enter the backlog by telefaxing copies of proper service documentation along with desired country destinations and family members first names to the aerial port of departure. The telefax data header will establish date/time of sign-up; therefore, active duty personnel must ensure the telefax is sent no earlier than the effective date of leave. AMC terminals are not responsible for faxes not received. Mail entries will also be permitted. Some of our AMC terminals now accept e-mail sign-up (see paragraph 11. for those terminals so equipped). The original date and time of sign-up shall be documented and stay with the passenger until his or her destination is reached. On reaching destination, the passenger may again sign-up for space available travel to return to home station.

**NOTE:**

If applicable, a statement that all required border clearance documents are current, is required.

Question 6 *What is self sign-up?*

Answer: Self sign-up is a program that allows passengers to sign-up at a terminal without waiting in line. Most locations now provide self sign-up counters with easy to follow instructions for registration. Active duty personnel must ensure sign-up takes place no earlier than the effective date of leave. If your travel will take you to a foreign country, ensure border clearance documentation is up to date. If you are unsure, verify it with a passenger service representative on duty.

Question 7: *How can I find where my name is on the Space A register?*

Answer: Each terminal maintains a Space A register (organized alphabetically, by priority and the date and time of registration for travel) that is updated daily. The register is conveniently located in the terminal and directly accessible to you. Travelers may call the terminal direct to find where they stand travel wise.

Question 8: *As a Reservist, where can I fly?*

Answer: Reserve members with DD Form 2 (Red) identification and DD Form 1853 may fly to, from, and between Alaska, Hawaii, Puerto Rico, the Virgin Islands, Guam, American Samoa, and the CONUS. Additionally, when on active duty, members may fly anywhere overseas that AMC has flights operating.

Question 9: *As a Retiree, where can I fly?*

Answer: Retired members with DD Form 2 (Blue) identification card may fly anywhere AMC has flights operating, including the CONUS.

Question 10: *Where and when can my family members travel with me?*

Answer: Except EML, Emergency Travel, and Command Sponsored Category V, family members must be accompanied by the sponsor to fly Space A. Family members may travel to/from and between overseas locations but not within the CONUS unless manifested on domestic leg segments of international travel.

Question 11: *Can I have family members travel with another military member if given power of attorney, other releases, or authority?*

Answer: No. Family members may only travel when accompanied by their sponsor.

Question 12: *I am disabled. Can I have a brother, sister, or friend accompany me to help me?*

Answer: The only persons permitted to accompany you are your dependents (not in the CONUS) or other persons eligible for Space A travel. Every effort shall be made to transport passengers with disabilities who are otherwise eligible to travel. Passenger service personnel and crew members shall provide assistance in boarding, seating, and deplaning passengers with special needs.

Question 13: *Do I have to be in uniform to travel?*

Answer: Each Service determines their own travel uniform policies. Currently, all the services permit appropriate civilian attire on DoD-owned or controlled aircraft. When civilian clothing is worn, use common sense. Attire should be in good taste and not in conflict with accepted attire in the overseas country of departure, transit, or destination, as defined by the DoD Foreign Clearance Guide. It should also be capable of keeping you warm especially on military aircraft.

Question 14: *How much baggage can I take?*

Answer: As a Space A traveler, you may check two pieces of luggage at 70 pounds each per person. Family members traveling together may pool their baggage allowance as long as the total does not exceed the total allowance. You may hand carry only what fits under your seat or in the overhead compartment, if available.

Question 15: *Can I pay for excess baggage when flying space available?*

Answer: No. Only duty status passengers may pay for excess baggage.

Question 16: *Do you have any recommendations on baggage?*

Answer: Yes. Travel light, take only essentials. Do not place valuables, medicine, or important documents in your check baggage. Be sure your name and current address are on and inside your bags. AMC terminals have baggage ID tags available for you to use.

Question 17: *Can my pet travel with me on a Space A flight?*

Answer: No. DoD has reserved pet shipments for passengers in permanent change of station (PCS) status. Additionally, travel with pets would be difficult at best due to limited aircraft pet spaces, pet import documentation requirements, and the possibility of quarantine in the event of an aircraft divert.

Question 18: *Will Space A travel cost much?*

Answer: In general, no. Some terminals must collect a head tax or a federal inspection fee from Space A passengers on commercial contract missions. Meals may be purchased at a nominal fee out of most air terminals while traveling on military aircraft. Meal service on AMC Category B full planeload charters is complimentary.

Question 19: *What facilities are available at AMC terminals (nursery, BX, snack bar)?*

Answer: Facilities at most military terminals are generally the same as commercial facilities. Facilities include exchanges, barber shops, snack bars, pay television (free television lounge in some military terminals), traveler assistance, baggage lockers or rooms, United Services Organization (USO) lounges, and nurseries (at major terminals). The type of facility available will vary according to the terminal size and location.

**NOTE:**

Most AMC passenger terminals close at night. Space A travelers should be prepared to defray billeting expenses.

Question 20: *What are the trends in the availability of Space A travel? Does it seem as if there will be more or less Space A travel in the coming year?*

Answer: Although AMC has led efforts to improve Space A travel in the past few years, movement still remains a result of unused seats. Present DoD personnel and budget trends are effecting Space A movement opportunity. AMC is dedicated to putting a passenger in every available seat.

Question 21: *What is the best time of the year to travel Space A?*

Answer: Any time other than peak travel and holidays (December-January and June-July) periods.

Question 22: *Is it easier to go to some destinations?*

Answer: Yes. Places where we fly often (Germany) are much easier than low frequency areas (Australia or New Zealand).

Question 23: *Can people travel Space A to Alaska or South America?*

Answer: Yes. Travelers may obtain Space A travel to Alaska, South America, and other interesting locations; i.e., Australia, New Zealand, etc. Travel to Alaska is relatively easy when departing from the West Coast (Travis AFB, California, and McChord AFB, Washington). Travel to South America and other remote areas is much more difficult. Infrequent flights to remote areas are primarily cargo missions and have few seats available for passenger movement. Expect long waiting periods for movement.

Question 24: *I am retired and am traveling on a passport and my flight originated overseas. Where in the CONUS can I fly into?*

Answer: When traveling on a passport, (family members, retired uniform service, reserve, etc.,) you may return to the CONUS only through authorized ports of entry where customs and immigration clearance is available. While you may depart the CONUS literally from any military airfield, reentry locations for passport holders are limited. Active duty passengers who do not require immigration clearance have more reentry options open.

Question 25: *Can I fly on Space A on other than AMC flights?*

Answer: Yes. Your travel eligibility is for all DoD-owned or controlled aircraft. AMC, however, does not always have knowledge of other command/services' flights. Telephone numbers are available for many of the passenger terminals in the CONUS (see paragraph 11.).

Question 26: *Can I call the bases for flight information? If so, what are the phone numbers?*

Answer: We encourage you to call the passenger terminal you plan on traveling through 30-60 days before travel. The terminal will be happy to discuss their flight schedule, Space A backlog, movement forecast, etc. See paragraph 12. for terminal telephone listings.

## 7. Tips for Traveling Space A:

7.1. Plan your trip, be flexible, be patient. As a rule of thumb, military ports offer more travel opportunities than commercial gateways (i.e., travel chances are better to Europe from Dover AFB DE than Philadelphia IAP PA).

7.2. If possible, travel at off-peak Space A travel periods (i.e., peak periods are the summer months after school is dismissed and Christmas holiday season). Historically, Feb-Mar and Oct-Nov are low travel periods.

7.3. Be as flexible as possible in choosing a destination. If you want to get to Ramstein AB, Germany, consider a flight into Rhein-Main, Germany, or even RAF Mildenhall, United Kingdom, as an alternative. At Mildenhall, try for another flight bound for Germany.

7.4. There is a head tax on CONUS outbound or federal inspection fee on CONUS inbound international commercial charters.

7.5. When traveling Space A with young children, prepare for possible delays along the way where baby supplies may not be readily available. A good supply of games and books is also recommended. Be aware that a baby's ears, like an adults, are sensitive to altitude pressure changes.

7.6. Space A is just that—space that is available after all mission requirements are fulfilled. Military aircraft are subject at all times, first and foremost, to DoD mission response.

**NOTE:**

The data above is subject to change. For the most current information, you should contact the terminal from which you desire to travel.

**10. Immigration and Border Clearance Requirements.** The following Customs and Immigration border clearance list is not all inclusive, but it provides information pertaining to countries AMC serves on a regular basis:

ATTENTION: These requirements are subject to change at any time by each country. Recommend you verify the requirements for your destination with an AMC terminal, travel agent, or other airline serving that country well ahead of your anticipated departure date.
