

School Guide

Keesler AFB 2017-2018

Compiled by Keesler AFB School Liaison Officer
(228) 376-8728

Welcome:

On behalf of the 81TRW/CC, I welcome you to Keesler AFB and the beautiful Gulf Coast of Mississippi. The School Liaison Officer (SLO) serves as the liaison between the installation commander, base agencies, military parents, and schools by providing assistance in matters pertaining to student education. The School Liaison Officer specializes in serving military families and offers a wide spectrum of services, enabling families to become more involved in their child's educational experience. Services include: supporting families with inbound/outbound school transfers, providing information on local schools and boundaries, assisting with school choice, helping families understand the special education process, making military and community agency referrals, and supporting families with the home schooling process.

School Guide:

This guide contains valuable information on our local public schools, private/parochial schools, and home schools. As your SLO, I remain neutral and strongly support all of our school districts. The data and information provided comes from web pages listed in this guide, and is available to the public. There are approximately 3,500 DoD children attending school along the Mississippi Gulf Coast.

Resource Web pages:

Below are several web pages that provide information on our school districts:

MS Dept. of Education - www.mde.k12.ms.us Great Schools - www.greatschools.com
School Matters - www.schoolmatters.com School Diggers - www.schooldiggers.com
Military Child - www.militarychild.org School Quest - www.schoolquest.com
Public School Review - www.publicschoolreview.com

Age Requirements:

Students entering Kindergarten must be 5 on or before Sept 1, 2017.

Students entering first grade must be 6 on or before Sept 1, 2017.

*Kindergarten is not a mandatory requirement in Mississippi.

Pre-K:

Mississippi does not have a state funded pre-K program. Individual school districts use limited Federal Title 1 funds, private contributions, and local school district funds for these classes. Pre-K programs in our local school districts are limited. Contact your school district for availability and enrollment eligibility. Many parents opt for a private (fee) pre-K program.

Before and After Care:

Before and After Care is available at the Keesler AFB Youth Center (228-377-4116) for the following Biloxi schools: Jeff Davis Elem, Popp's Ferry Elem, and Biloxi Junior High School. After Care pick-up is available for D'Iberville elementary and Middle school.

Registration Requirements for New Students:

Mississippi Certificate of Immunization Compliance Form 121 (KAFB Med CTR/Health Dept)
Certified copy of birth certificate (not a hospital certificate)
Report cards and /or other records of grade placement
Copy of current Individualized Educational Program (IEP) as needed
Student's Social Security Number
Verification of Residency (must provide 2 forms of proper documentation: utility bills, driver's license listing present address, automobile registration, filed Homestead Exemption application form, mortgage documents or property deed, apartment or home lease, or base housing lease)

GUARDIANSHIP: Legal guardian must provide a copy of the most recent court order, signed by a judge, appointing them as legal guardian.

HB 879-Allows military parents residing on base school district choice:

Effective 1 July 2013 parents residing on Keesler AFB (Bay Ridge, East Falcon, West Falcon, Thrower Park, and Hwy 57) have the option of enrolling their children in adjacent school districts (Gulfport, Harrison County, Jackson County, and Ocean Springs). Parents must provide copy of base housing lease agreement along with required registration paperwork. Parents must provide transportation to the out-of-district school of choice. School Supt can determine which elementary school child will attend based on enrollment.

Interstate Compact on Educational Opportunity for Military Children:

In 2009, the Military Interstate Compact was signed into Mississippi law. The Compact provides for uniform treatment of military children transferring between school districts and states. The Compact has specific articles dealing with: enrollment, immunizations, placement, graduation, and many other areas of importance. Please familiarize yourself with the Interstate Compact at www.mic3.net.

Residency & Enrollment:

It is very important you understand the importance of home residency and school enrollment. Where you live MAY determine where your child will attend school. While several of our districts allow for outside transfers, some do not. There may also be a tuition fee associated with outside transfers. Transferring your child involves an approval process from the losing and gaining schools. You must contact both losing and gaining school districts prior to starting process. In addition, you must provide transportation to the out-of-district school.

Special Education:

Special Education (SPED) is a complex, emotional subject. Communication is the key when dealing with school districts and SPED. I recommend you become familiar with federal and state laws. Federal law information can be found at www.wrightslaw.com and MS state law at www.mde.k12.ms.us/special-education/special-education-policies-and-procedures. Information ranging from initial evaluations to mediation can be found

here. I am available to assist and prepare parents with their SPED objectives but cannot attend meetings.

Education Scholarship Account:

Mississippi Governor Bryant has signed SB 2695, the Education Scholarship Account (ESA) program. It is a program designed to give those parents with special needs children the option of withdrawing their child from the public school system and receiving a designated amount of funds (\$6500.00) to help defray the cost of private school tuition or other specific allowable activities to educate their child. For more information -

www.mde.k12.ms.us/ose/ESA.

MS 3rd Grade Literacy Retention Gate:

In 2013 the MS Governor signed SB 2347. This bill states starting in the 2014/2015 school year; all 3rd graders must pass a reading test to be promoted to the 4th grade. More information can be found at: www.mde.k12.ms.us/ESE.

Military Family Life Counselors (MFLC's):

Currently, there are 14 counselors working with our military students in all of our surrounding school districts. A parent release form must be signed before a counselor can work with a student. Check with your school to see if one is assigned there.
