COVID-19 FAQS

What are Air Force Medical Facilities doing to educate, prevent, screen, and manage efforts?

Medical staff are using PPE and developing health-surveillance protocols. They're currently identifying, monitoring, and managing possible cases and protecting the workforce plus beneficiaries within the hospital.

Will there be daycare, school or commissary facilities closed?

Please stay tuned to our Facebook page and website to get the latest updates and closures.

What precautions should I be taking?

Avoid touching eyes, nose and mouth with unwashed hands; avoid close contact with those who are sick; clean and disinfect frequently touched objects and surfaces.

What should I do if I think I have COVID-19?

Call the Dragon Health Hotline at 228.376.7132

What are the symptoms?

Current symptoms are severe respiratory illness with fever, cough and difficulty breathing.

When should I wear a face mask?

A face mask should be used by people who have COVID-19 and are showing symptoms.

Who is most at risk?

People in three categories are at most risk: the elderly, those with weakened immune systems, and pregnant women.
