Our mission in regards to the complaints resolution program is to administer an oversight process that impartially and practically addresses grievances to enhance organization's discipline, readiness, effectiveness and warfighting capability.

Vision: Our vision is to be a model oversight organization in the 81st Training Wing by leading change through credibility, responsiveness, objectivity, and promoting excellence.

You Can Get Help! You have a right to file an IG complaint at any level, but experience has shown that many issues and/or concerns can be resolved through the chain of command.
